Pueblo City Schools Play...

Once again, I had the opportunity this past week to see a local high school production. This time, it was South High's production of "You're a good man, Charlie Brown." Okay, I almost had to be dragged against my will, similar to "Cats" this past summer. After all, it's about comic strip characters. But my wife wanted to go and a couple of my daughter's friends were in the cast, so I went.

It's a musical with only a company of seven on the stage. With the small cast and close to an hour and a half of on-stage time, these parts are difficult with a lot of lines and a lot of singing. But the kids did a great job pulling this off and they managed to keep me entertained for the entire time. As with "Cats," the students were really focused and into their roles. This show gave them a chance to stretch a bit more and even have some fun while performing.

The music, performed by ten members of South High's Or-

chestra, was top notch as well. And credit goes to Donna Stinchcomb, Wayne Genova, and Garren Cuthrell from South for their direction too. This was a tremendous amount of effort and dedication to make a great production.

Only down side was that there were some empty seats in the Arts Center theater. With ticket prices less than that of going to see a movie, the place should have been SRO. Everyone in our community should be getting out and supporting these events. It's part of supporting our schools.

Keep your eyes open for upcoming school concerts and plays; they are a great value and solid entertainment.

Upcoming events - or, A word from our Sponsors!

The Latino Chamber of Commerce's 28th annual Dinner Dance is this Saturday at the Convention Center. The speaker will be Victor Rivas Rivers; former NFL player and current TV and movie actor. Food, Drink, Entertainment, and danc-

ing, along with a silent and live auction of some great items. Another great event to support the work of a solid community organization. Call the chamber at 542-5513 for more info and tickets.

The Pueblo Technology Alliance will be sponsoring the 5th Annual Tech Summit at CSU-Pueblo on April 4th. Mark your calendars as this year will be different from what we have done in the past. Our topic will cover various aspects of renewable energy and the technologies associated with it. Everything from creating a community-wide smart grid to what you can do in your own home to use renewable energy sources such as solar, wind, and geothermal.

Stay tuned for more info soon!

Have a Great Pueblo Week and enjoy our return to seasonable temperatures!

For children who have to deal with the harsh realities of life, Volunteers of America is there to help. Since 1896, we've worked in communities across the country to restore hope and rebuild lives. Today, we provide care to abused and neglected children, adoption services, child care and emergency shelter.

The need has never been greater. And we are there to offer support and compassion to create positive change in a child's life.

Find out how you can help. Call 1.800.899.0089 or visit us at www.volunteersofamerica.org.

There are no limits to caring.™
