DISTRICT COURT, PUEBLO COUNTY, COLORADO Case No. 08 JV 310 Division: A

MOTION FOR TERMINATION OF PARENT-CHILD LEGAL RELATIONSHIP

THE PEOPLE OF THE STATE OF COLORADO, In the Interest of **DAVID LUCAS, JOSEPH COOLEY, JR. a.k.a. JOSEPH MICHAEL THOMAS COOLEY, Children, And Concerning MELISSA MATHIS, JOSEPH CHRISTOPHER COOLEY, CLAUDE LUCAS, JOHN DOE, and any other person claiming any interest in or to the person, property, or custody of the minor child, Respondents,**

COMES NOW the Pueblo County Department of Social Services, by and through Daniel R. Casias, Assistant County Attorney, and moves this Honorable Court for an Order terminating the parent-child legal relationship now existing between the Respondents, Melissa Mathis, Claude Lucas and John Doe, and the minor child, David Lucas, and as grounds therefor, states to the Court as follows:

1. This action is brought pursuant to the provisions of C.R.S. 19-3-601, et seq., cited as the Parent-Child Legal Relationship Termination Act of 1987.

2. The Department of Social Services has made continuing inquiries of the parent(s) and/or relatives of the child, David Lucas, to determine whether or not the child is an Indian Child. The Department of Social Services has determined that the child is not an Indian child, based on their information and belief.

3. The minor child who is the subject of this action is David Lucas, whose date of birth is May 21, 2000.

4. That the natural mother of the child, David Lucas, is the Respondent, Melissa Mathis, whose last known address is 2015 W. 17th St., Pueblo, CO 81003.

5. The natural father of the child, David Lucas, is the Respondent, Claude Lucas, whose last known address is unknown, or John Doe, whose last known address is also unknown.

6. The Court adjudicated the status of the child, David Lucas, to be dependent or neglected on June 23, 2008 effective May 19, 2008, to the Respondent mother, Melissa Mathis, and on July 17, 2008, effective June 30, 2008, as to the Respondents, John Doe and Claude Lucas.

7. An appropriate Treatment Plan with regard to the Respondent mother has been approved by the Court on or about June 23, 2008, effective May 19, 2008. No Treatment Plan could be revised for Respondents, John Doe and Claude Lucas, due to their lack of involvement in this matter.

8. Such Treatment Plan has not been reasonably complied with by the Respondent mother and the Treatment Plan has not been successful.

9. The conduct or condition of the Respondents, Melissa Mathis, Claude Lucas and John Doe, is unlikely to change within a reasonable

period of time.

10. The Respondents are unfit.
 11. The child has been abandoned by the Respondents, John Doe and Claude Lucas.

12. Said parent has surrendered physical custody of the child for a period of six months or more and have not manifested during such period the firm intention to resume physical custody of the child or to make permanent legal arrangements for the care of the child.

13. The identity and whereabouts of the child's, Claude Lucas', parent remain unknown and have been unknown for three months or more and reasonable efforts to identify and locate the parent have failed.

14. A continuation of the parent-child legal relationship is likely to result in a grave risk of death or serious injury to the minor children. The conduct or condition of the Respondent parents renders them unable or unwilling to give the child reasonable parental care to include at a minimum, nurturing and safe parenting sufficiently adequate to meet the child's physical, emotional and mental health needs and conditions.

15. That giving primary consideration to the physical, mental and emotional conditions and needs of the minor children, it would be in the best interests of the child, David Lucas, to terminate the parent-child legal relationship currently existing between said child and his natural parents for the purpose of placing said child for adoption.

16. A grandparent, aunt, uncle, brother, or sister of the child must file a request for guardianship and legal custody of the child within twenty (20) days of the filing of this motion.

WHEREFORE, it is respectfully requested that the Court terminate the parent-child legal relationship between the above-mentioned child and the Respondents, Melissa Mathis, John Doe and Claude Lucas, and place legal custody and guardianship of the child with the Pueblo County Department of Social Services, for the purpose of placing said child for adoption.

Respectfully submitted this 5th day of August, 2009.

PERSPECTIVE by Jon Heaton, Tribune editor

We Can't Carpet Afghanistan ... Let's Sharpen Our Attack

The President has some big decisions to make in the near future about Afghanistan, Pakistan, Iran, Iraq and North Korea.

In Afghanistan, Obama's General Stanley McChrystal has finished his summer study of the situation and has pronounced our mission a basket case. He wants up to 45,000 more troops as soon as possible, which will raise our commitment to over 100,000.

And some military analysts estimate a total force of 200,000 allied troops plus 400,000 Afghan troops would be needed to secure this big country with its mostly rural population ... and take up to 40 years. They point out that Afghanistan has no modern infrastructure anywhere — not even in the capital, Kabal. This nation's infrastructure and institutions are about a century behind Pakistan or Iraq, and half the people have no concept of the modern world.

Our security is threatened by a relatively small cadre of smart, educated fanatics which can be loosely labeled as Al Qaeda. They are international criminals who

should be tracked down by light, super units such as Special Forces, national police, Interpol, the FBI and the CIA. The U.S. simply cannot afford a 40-year occupation of Afghanistan or any other Third World country. But more importantly, such an enterprise will exhaust us, rather than securing our interests.

If it had been possible to secure all of Afghanistan, that would have been six or seven years ago. Because Bush and Chaney chose to

invade Iraq instead, the slim chance (if any) of a quick fix in Afghanistan was missed.

Now, we should organize for a long-term guerrilla-style campaign to hit Al Qaeda in any backward, broken country where they may be ferreted out. Our law enforcement and military could sustain such an effort indefinitely and a lot of the \$100's of billions and 1,000's of lives saved could be much more effectively turned to constructive enterprises and aid programs here and abroad.

Our insistence on conducting a traditional ground war has made our security efforts an expensive, mindless drain on resources, both human and economic. *jjfh*
